Dear Mr. Evans:

Re: Decision - By-Law Appeal Application to Norfolk County
Request for Exemption to Norfolk County Noise Control By-Law
Highway 3 Rehabilitation, Simcoe to Renton
MTO Project Reference: GWP 3062-14-00

This is to inform you that the By-Law Appeals Committee of Norfolk County reviewed the above-noted By-Law Appeal Application at its Hearing on September 11, 2017.

The Committee unanimously approved the Ministry of Transportation's request for an exemption to the Noise Control By-Law 2010-84. The noise exemption permits the operation of construction equipment between the hours of 7:00 p.m. to 7:00 a.m. on weekdays for the duration of construction, which depending on the contractor's operations, will occur within March 4, 2019 to Nov 30, 2019.

This matter was also advertised in local area papers and no objections or concerns were expressed.

If you have any questions, please feel free to contact my office.

Yours truly,

Andy Grozelle
